MIDWEST Preliminary majority prices moved higher for next weeks' deliveries into the Chicago area. Whole broiler/fryer market tone was steady to fully steady, instances firm. Offers were generally well cleared on a light trade call. Fill- in trade on mixed sized wogs into the Ohio market noted at 62 1/2 cents. Movement into all channels was mostly light to moderate, although catering and fast food demand was good. Floor stocks were adequate; weights in a desirable range for the most part. Parts trade saw good interest on wings and boneless dark meat, moderate demand on remainder of items. Supplies of all parts were well positioned to tight. The market tone was fully steady to firm on all parts.
